# Grove Music Online

## *The definitive source for music scholarship*

*Grove Music Online*, available on the Oxford Music Online Platform, is the leading resource for music research. This comprehensive resource draws from the full texts of *The New Grove Dictionary of Music and Musicians* (2 ed.), *The New Grove Dictionary of Opera*, and *The New Grove Dictionary of Jazz* (2 ed.), and includes new and updated articles and bibliographies exclusively available online. Featuring over 50,000 articles from Bach to Beyoncé, *Grove Music Online* is the go-to resource for students and scholars alike.

## THE RESOURCE

- *Grove Music Online* is a living resource, with scholars and specialists from around the world continually reviewing and updating existing content and contributing new articles

- In addition to the vast number of articles, *Grove Music Online* also features a host of learning resources, including timelines and subject guides that organise content for use in the classroom

- Many of the most-recent additions to *Grove Music Online* come from two new print publications, *The Grove Dictionary of American Music* (2 ed.) and *The Grove Dictionary of Musical Instruments* (2 ed.)
