

University Press Scholarship Online

Delivering the best scholarly publishing from leading university presses around the world

University Press Scholarship Online (UPSO) brings the same cutting-edge platform functionality that has marked the success of *Oxford Scholarship Online* to a greatly expanded content base, featuring some of the most prestigious academic presses from around the world. UPSO offers a state-of-the-art and rapidly expanding cross-searchable library, with easy access to over 24,000 scholarly works across the humanities, social sciences, sciences, medicine, and law. Research that previously would have required a user to jump between a variety of books and disconnected websites can now be centered using UPSO's powerful search engine.

THE COLLECTION

- **Global reach** – from diversity in publishing partners to a broad range of content, UPSO brings together the best global scholarship on a single platform, ensuring that academic scholarship is increasingly accessible
- **Continual growth** – we are actively recruiting new partner presses that have robust and diverse publishing programs, ensuring that UPSO continues to develop a dynamic content set
- **Discoverable content** – UPSO connects with other Oxford products via the Oxford Index, enabling users to quickly find content that is related to their research
- **Enhanced search** – deep tagging and XML content coupled with abstracts and keywords available at book and chapter level make it easy for users to find content that best meets their research needs
